

WHAT ELSE DO I NEED TO KNOW? *continued*

suspension of your debit card. If you consent to Extended Coverage on your consumer account, it will remain on your account until it is otherwise withdrawn.

- ★ First Southern Bank authorizes and pays transactions using the available balance in your account. First Southern Bank may place a hold on deposited funds in accordance with our Deposit Account Agreement and Disclosure, which will reduce the amount in your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of the Overdraft Privilege limit and any available Overdraft Protection. The available balance for ATM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds, plus any available Overdraft Protection, but does NOT include the Overdraft Privilege limit. For accounts with Extended Coverage, the Overdraft Privilege limit is included in the available balance for authorizing ATM and everyday debit card transactions.
- ★ First Southern Bank will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft Fee may be assessed.
- ★ Except as described in this brochure, First Southern Bank may not pay items if the available balance in your account (including the Overdraft Privilege limit, if applicable) is not sufficient to cover the item(s) and the amount of any fee(s).
- ★ First Southern Bank may suspend your debit card if you incur overdrafts in excess of the available balance in your account, including any Overdraft Privilege limit (as described herein). Debit cards on your account will remain suspended until you make sufficient deposits so that your available balance, taking into account any Overdraft Privilege limit, is positive.
- ★ First Southern Bank may also suspend your debit card at any time due to a negative balance.

- ★ First Southern Bank may also suspend your debit card if we are unable to contact you due to an incorrect mailing address or phone number(s). You must contact us with your correct mailing address and/or phone number(s) to have your debit card reinstated.
- ★ If your debit card is suspended, you will be unable to use your debit card for purchases or to access your account at the ATM, and if you use your debit card for recurring payments, e.g., utilities, you are responsible to make other arrangements for your recurring debit payment(s).
- ★ Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- ★ Overdraft Privilege may be suspended if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 32 days for a minimum of one business day. If suspended, you must bring your account balance positive for at least one business day to have the Introductory Overdraft Privilege limit reinstated.

WHAT IS OVERDRAFT PROTECTION?

Overdraft Protection applies to all types of transactions and may help protect your account from being overdrawn by automatically transferring funds to your checking account from another account or line of credit you may have at First Southern Bank, for a finance charge. Please note that overdraft lines of credit are subject to credit approval.

WHAT IS OVERDRAFT PRIVILEGE?

Overdraft Privilege allows you to overdraw your account up to the disclosed limit for a fee to pay a transaction.

First Southern Bank may provide you a specific Overdraft Privilege limit depending on the type of account you have. New Consumer Checking accounts will receive a \$100 Introductory Overdraft Privilege limit at account opening that may be increased up to \$500 after 30 days in good standing.

An Overdraft Privilege limit of \$1,000 may be granted to eligible Business Checking accounts opened at least 60 days in good standing.

Even if you have Overdraft Protection, such as a transfer from another account, Overdraft Privilege is still available as secondary coverage if the other protection sources are exhausted.

WHAT TYPES OF TRANSACTIONS DOES OVERDRAFT PRIVILEGE COVER?

The types of transactions covered by Overdraft Privilege depend on the coverage selected. See the chart to the right for more information.

If you choose Extended Coverage, all the transaction types listed in Standard Coverage are included, along with ATM transactions and everyday debit card transactions. First Southern Bank will not authorize overdrafts for everyday debit card and ATM transactions on consumer accounts unless you give us your consent to pay these overdrafts by electing Extended Coverage. Business accounts automatically have Overdraft Privilege Extended Coverage.

Please be aware that the Overdraft Privilege amount is not included in your available balance displayed through internet banking, mobile banking, telephone banking, or First Southern Bank ATMs.

HOW MUCH DOES OVERDRAFT PRIVILEGE COST?

When Overdraft Privilege is used, the Overdraft Fee of \$35 will be imposed for overdrafts created by checks, ACH, point-of-sale, ATM transactions, in-person withdrawals, or by other electronic means if your account is overdrawn. If multiple items overdraw your account on the same day, each item will be assessed the appropriate fee. This is the same fee that First Southern Bank charges for items returned to the payee due to insufficient funds.

If an item is returned because the available balance in your account is not sufficient to cover the item and the item is presented for payment again, First Southern Bank will charge a return item fee each time it returns the item because it exceeds the available balance in your account. If, on representation of the item, the available balance in your account is sufficient to cover the item First Southern Bank may pay the item, and, if payment causes an overdraft, charge an overdraft fee.

The maximum amount of Overdraft Fees that we will charge to your consumer account is \$210 per day. We will not charge an Overdraft Fee if your consumer account is overdrawn by \$10 or less. These exceptions do not apply to business accounts.

All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn in excess of the Overdraft Privilege limit amount as a result of the assessment of a fee. The total negative balance, including all fees and charges, is due and payable upon demand. Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all such amounts, as described in the Deposit Account Agreement and Disclosure.

WHAT IF I DON'T WANT OVERDRAFT PRIVILEGE?

You can request to discontinue Overdraft Privilege service in its entirety at any time by contacting us at (912) 490-1010 or sending us an email at customersupport@fsb-bank.bank. Without Overdraft Privilege, your insufficient funds items will be returned to the payee and/or declined at the point of purchase, unless you have Overdraft Protection available to cover the item(s). You will be charged the standard Returned Item Fee of \$35 for all returned items.

WHAT ELSE DO I NEED TO KNOW?

- ★ Our General policy is to post items throughout the day and to post credits before debits. Withdrawals, ATM transactions, debit card transactions, ACH debits, and checks are all posted from lowest to highest dollar amount (in the order listed here). However, because of the many ways we allow you to access your account, the posting order of individual items may differ from these general policies. Holds on funds (described herein) and the order in which transactions are posted may impact the total amount of Overdraft Fees or Returned Item Fees assessed.
- ★ When Overdraft Privilege is used, the overdraft fee of \$35 will be imposed for overdrafts created by checks, ACH transactions, online bill items, teller window transactions, teller and internet banking transactions and recurring debit card transactions. A \$35 fee will be charged for each one-time POS & ATM transaction(s) if you opt in to extended coverage.
- ★ A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts.
- ★ Although under payment system rules, First Southern Bank may be obligated to pay some unauthorized debit card transactions, First Southern Bank will not authorize debit card or ATM transactions unless your account's available balance (including overdraft coverage options) is sufficient to cover the transactions and the amount of any fee(s).
- ★ Giving us your consent to pay everyday debit card and ATM overdrafts on your consumer account (Extended Coverage) may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available balance that could result in
